Follow College Court which will come to an elbow. Take the first right into the parking lot. You will be parking in "LOT I." Once you have parked, walk east toward the Engineering Technology Building (ETB). It is the building made of glass facing Main St. W. It is beside the Information Technology Building (ITB) and behind the Institute for Applied Health Sciences (IAHS). Technology Building (ITB) and behind the Institute for Applied Health Sciences (IAHS).

Members planning to attend this meeting please e-mail Kris Krishnamoorthy at krishnam55.kk@gmail.com by the preceding Friday.

Please include your name and phone number as well as the name of your guest should you intend to bring someone.

Members who pre-register in this way and attend are eligible to enter TWO of their business cards into a prize draw which is held semi-annually.

Message from the Chair

Hello Everyone,

Welcome to the ASQ Hamilton Section and World Quality Month 2015!

On behalf of the Executive Committee, I would like to welcome the new members who recently joined the Hamilton Section. Also, I would like to extend my congratulations to the certificate achievers who passed the ASQ Exams held in October 2015.

I am pleased to announce that we have a new Leadership Team for the Hamilton Section for FY 2016. Thank you to all those who participated and contributed in the election process. It is quite encouraging to note that several members have come forward to take up the leadership responsibilities. As the outgoing Chair of the Hamilton Section, I extend my Congratulations and best wishes to the new Leadership Team. I would like to take this opportunity to convey my sincere thanks and appreciation to Joe Drozd (Treasurer) and Joe Curto (Secretary) who are retiring from the Section Executive Committee at the end of this year. They have served the Hamilton Section with dedication and helped to keep the Section affairs financially strong and socially active. November is the World Quality Month! This is the 6th Annual World Quality Month celebrated by the global Quality community. As you know, World Quality Month provides a platform for acknowledging the efforts and recognizing the accomplishments of Quality and all who work to make it happen. Those interested to explore some ideas for celebrating the World Quality Month may checkout this link:

<http://asq.org/world-quality-month/>

As a part of the World Quality Month celebrations, the next Hamilton Section Membership Meeting will be held on Monday, November 09, at McMaster University. This is going to be an exciting event held in collaboration with the McMaster University. Following a brief update on the Section affairs, B.Tech students will showcase their Quality projects and the winners will be honoured by Hamilton Section with the Student Awards. Everyone is invited to attend this Meeting and enjoy the evening with the students and the faculty. More details about this event can be found in the Newsletter. I look forward to seeing many of you at the Section Meeting on Nov 9th, as we celebrate the World Quality Month.

Sincerely,

Kris Krishnamoorthy, P. Eng.

Chair, ASQ Hamilton Section (0400)
